to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 1998-653-S.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2010) and 26 S.C. Code Ann. Regs. 103-512.4. A (Supp. 2010), the Company requests that the Commission approve an increase in its monthly sewer service rates. In support of its request for an adjustment in the Company's sewer rates, Palmetto asserts, among other things, that the proposed sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, allow the Company to recover its incurred costs, comply with environmental regulations, and earn a reasonable return on its investment. The Company also asserts that the proposed sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

The Company also seeks modifications to certain terms and conditions of its rate schedule including those pertaining to circumstances under which the Company will bill tenants for service, incorporation of the Commission's regulation pertaining to the amount of reconnection fees, and incorporation of the SCD-HEC regulation pertaining to single family equivalency ratings.
